

Professional Service Rate Correction Notice

UnitedHealthcare Community Plan of Louisiana is sharing an important update on behalf of the Louisiana Department of Health (LDH) regarding the recent Professional Service Rate Correction Notice.

LDH identified that some previously revised rates were mistakenly lowered because they were already priced above 85% of the Medicare 2024 rate. The rates for these impacted CPTs were moved back to their previous rate on September 18, 2025. Additionally, the rate effective dates have been adjusted to accurately reflect the period prior to the change.
