

**An Important Message from
The Texas Health and Human Services Commission (HHSC)**

HHSC Publishes DAHS Health Inspection Checklist

HHSC has published the DAHS standard health inspection checklist in the Related Resources section of the provider [website](#). The checklist is provided as a resource to help providers prepare for health surveys.

- [DAHS Standard Health Inspection Checklist \(PR 6007\)\(PDF\)](#)

Please note that the checklist contains a brief description of the requirements. Refer to the DAHS requirements in Chapter 559 for a complete description of the requirements.
