

**An Important Message from
The Texas Health and Human Services Commission (HHSC)**

**Removal of Ibuprofen Tab 200mg from CHIP Formulary,
Effective Feb. 12, 2026**

Background:

VDP will remove Ibuprofen 200 mg tablets from the CHIP formulary, effective Feb. 12, 2026.

Key Details:

The Ibuprofen NDCs were assigned CHIP coverage on Jan. 13, 2026, in error. As a result, we will remove the NDCs from CHIP coverage because over-the-counter drugs are not eligible for coverage.

NDC	Drug Name
70677113602	Ibuprofen Tab 200mg
70677113603	Ibuprofen Tab 200mg

Action:

MCOs should comply with this status removal **by Feb. 12, 2026**. These changes will appear in the ACSPTFF file delivered on Feb. 2, 2026.
