TMHP Publishes EVV Known Issues and Resolutions, Vol. 2

Background:

The Texas Medicaid & Healthcare Partnership (TMHP) published a table that highlights the most frequently occurring issues Electronic Visit Verification (EVV) users have experienced with the HHAeXchange system. The table also features a resolution for the issues that were identified.

Key Details:

For more information, refer to the EVV Known Issues and Resolutions, Volume 2, on TMHP's EVV web page.

Resources:

EVV Known Issues and Resolutions, Vol. 1

Email TMHP with any questions.
