Services that require prior authorization will be listed at [UHCprovider.com/priorauth](#) > Advance Notification and Plan Requirement Resources or on [capcms.com](#). Submit your request at least 7 days before the planned date of service:

**By phone:** 800-851-7110

## Member ID cards

Members in the affected plans will get new member ID cards that show the Payer ID CAPMN and will have other applicable delegation-specific descriptors such as delegate name and delegate website listed as the care provider contact. - UnitedHealthcare UCard makes it easier for members to access their benefits and programs so they can take advantage of their plan offerings
- UCard does not need to be activated for you to verify eligibility or provide care services to members and should be used in the same manner as any other UnitedHealthcare member ID card
- UCard cannot be used for member out-of-pocket expenses, including copays, coinsurance or deductibles
- Each UCard includes a Benefit Award Card Number, security numbers, expiration dates and a magnetic stripe for in-store purchases or spending rewards – providers do not need to scan the barcode to provide medical, dental, prescription, vision or hearing services to the member
