

# UnitedHealthcare Commercial Reimbursement Policy Update Bulletin: March 2023

Revised		
Policy Title	Effective Date	Policy Summary
Breast Reconstruction Free Flap Procedure Policy, Professional and Facility	Postponed until further notice	In response to concerns raised regarding the deployment date of the Breast Reconstruction Free Flap Reimbursement Policy, UHC decided to postpone implementation of the policy until further notice. The notification applied to both professional and facility providers.  The new effective date will be communicated prior to deployment.

**Note:** The absence of a policy does not automatically indicate or imply coverage. As always, coverage for a health service must be determined in accordance with the member’s benefit plan and any applicable federal or state regulatory requirements.
