Pharmacy Benefit Programs Drug List

Last updated 10/27/2026 (For 11/1/2026 Effective Date)

The following is a comprehensive list of medications included in our pharmacy benefit programs. Our pharmacy benefit programs range from those based on U.S. Food and Drug Administration (FDA) guidelines to innovative initiatives. We provide you with a wide range of programs that help to promote appropriate use, reduce costs, and ultimately, improve health status.
Inclusion in this list does not indicate a drug is covered by a particular plan. Any drug may be subject to other requirements including but not limited to Exclude at Launch and or Review at Launch.
